

Made for a Miracle

Made for a Miracle by **Mike Slaughter**

At some time in our lives, most of us have prayed for or hoped for a miracle -- an event that seems impossible but is brought about by God's transcendent power. But when miracles occur, did you know that you have a role to play? If that is true, what is the catch? What do we have to do? What is it going to cost us?

The author examines the two components of every miracle:
divine action and human responsibility.
