
Dear Epworth Family,

I just came home on Friday from Camp Pecometh and it was a great week. During the week, I enjoyed swimming, pool parties, campfires with smores, canoeing, Bible study and God's Quiet Lane and other fun activities. I even tried archery, I wasn't that good at it but at least I didn't hit any wildlife or people. I had a wonderful counselor and I met new friends. I came home with a stronger relationship with God and I wanted to thank everyone for giving me the opportunity to experience the week in Camp Pecometh it was amazing.

Love,
Xavier Pioli
