PROJECT PLANNING NOTES

1 To Epworth, Emmaus Community + Wings.

3 I wish to extend my sincerest
4 gratitude for the phenomenal response
5 I received to help my neighbor -

6 Anne L - the grandmother who is taking
7 care of her daughters 4 children - all
8 under the age of 5, who has an internship
9 at Deltech:

10 Because of all of you - they will have
11 a very very nice Christmas - and we
12 are able to make a mortgage payment
13 and bring her electric up to date.

14 The electric was scheduled for shut off
15 Jan 1, 2026.

16 Again, Thank you, it warms my heart
17 to have so many caring people respond
18 to my request for help.
