

Kairos Prison Ministry

There is a ministry many may not yet know about, but one that reflects the very heart of what it means to love like Christ.

Kairos.

Kairos Prison Ministry International is a Christ-centered global mission reaching into places many never see... bringing hope to those inside prison walls and healing to the families and lives impacted beyond them.

Through its three programs—Kairos Inside, Kairos Outside, and Kairos Torch—this ministry walks alongside those impacted by incarceration at every stage of the journey.

One meaningful expression within this ministry is Kairos Outside.

Kairos Outside is designed specifically for women who have loved ones who are—or have been—incarcerated... and for women who were previously incarcerated and did not have the opportunity to attend a Kairos Inside weekend.

The purpose of Kairos Outside is to demonstrate God's grace and love through Christian support, creating a space where women can be seen, heard, and reminded that they are not alone.

This ministry creates a safe, welcoming space where women can experience healing, hope, and unconditional love—often for the first time in a long time, if ever.

And now, Epworth is once again stepping into this mission in a deeper way... Because this is what it looks like to be the hands and feet of Jesus.

A Kairos Outside Weekend is coming up April 24–26, and there are several ways you can be part of it:

After today's service, we invite you to stop by the Kairos table in the narthex to:

- Learn more about the ministry
- Make a donation—of any amount—to support the upcoming weekend
- Sign up to pray for the team and the women who will attend
- Pick up applications to share with anyone you know who has been impacted by incarceration

And we invite all of you to a powerful moment... the closing ceremony for Weekend #8, held at the Virden Center in Lewes on Sunday, April 26. Come witness what God can do in just a few days.

This is more than a program; it's a reminder that no one is forgotten... No one is beyond grace... And every woman deserves to know: She matters. She is loved. She is a child of God.
