Dear Linda,

On behalf of everyone at Camp Hope, I want to extend our deepest gratitude to you and the wonderful congregation at Epworth United Methodist Church for your faithful commitment to providing weekly food bags for our campers and their families.

Every week our children eagerly look forward to receiving these special bags. They know that each one will be filled with different food items, and there is always excitement as they discover what has been lovingly packed for them. More importantly, these bags help supplement the food supplies at home for many of our Camp Hope families. For some, these groceries ease a significant financial burden and provide nourishment that might otherwise be difficult to afford. Your ministry is truly making a meaningful difference in their lives.

Linda, your personal dedication is such a blessing. Not only have you been instrumental in ensuring that Camp Hope continues to be a recipient of Epworth's generosity each year, but you faithfully deliver the food bags yourself every single week. Your kindness, consistency, and servant's heart speak volumes. We know that this ministry requires countless hours of planning, organizing, collecting, and coordinating, and we are deeply grateful for all that you do behind the scenes.

Please extend our sincere appreciation to everyone at Epworth United Methodist Church who faithfully supports this important ministry. Their generosity is touching lives in ways they may never fully realize. Together, you are providing not only food, but also hope, encouragement, and the reassuring reminder that our families are loved and cared for.

Thank you, Linda, for your unwavering dedication to Camp Hope and for being such a faithful partner in serving our children and their families. We praise God for your compassionate heart and for the blessing that you and Epworth UMC continue to be to our ministry.

With heartfelt gratitude and blessings,

Karen Lessey
Camp Hope Director

PS Unfortunately, we weren't able to take a picture with all of the children
